

Activity Description

On  **Monday, December 16th**, the first online meeting of the eTwinning project “*Fundamental*” teams will take place. During the meeting, the teams will introduce themselves, and team members will have the opportunity to ask questions which will be answered by one of the students.

Activity Goals

- ✓ **Application of Communication Forms:** To provide students with the opportunity to practically apply various forms of communication, both formal and informal, in a digital environment.
- ✓ **Developing Communication Skills:** To help students develop effective communication skills, learning how to formulate and answer questions clearly and accurately.
- ✓ **Intercultural Interaction:** To strengthen communication and understanding among students from different cultures, promoting interaction and collaboration in an international context.
